A time to really examine and analyze your dreams and ideals. It can be easy now to separate the wheat from the chaff and get rid of much of the "pie in the sky" stuff you have bought along the way. The results are solid goals that support you.

#### Pluto Conjunction Pluto

The symbol of the phoenix -- complete burning and regeneration or transformation.

## Node

#### Node in 4th House

You don't have to go far from home to do what you have to do. If anything, you should be careful not to cloister yourself too much in the name of duty, lest fundamental joys become a burden. However, fame comes when you least expect it, when your attention is sincerely elsewhere and your ship suddenly comes in.

#### Node Conjunction Uranus

If it's new, original, an unusual flash of brilliance, you're likely to jump right on it and take hold. That, at times, may be like jumping on a bucking bronco that won't keep still once you've come aboard. So, cleave to what inspires your heart, but vet it out first and test the waters before you plunge right in.

#### Node Conjunction Pluto

Commitments where force is involved -- emotional or even physical -- have especial appeal to you. The challenge is to engage strongly without either being too overbearing or getting steamrolled into more than you intended to get involved in. Must-do situations are compelling indeed...but you must be ready to do, and do again.
