Report For Michael J. Fox

Moon

Michael J.'s Moon in Transit's 11th House

Opening up your emotional side will bring Transit ever closer with ease, as you somehow feel like an old friend already. Your feelings open a door to higher things for Transit, making you a gateway for intimate aspirations if you choose.

Michael J.'s Moon Sextile Transit's Moon

Although you may both have different feelings about any situation you encounter, you'll pretty much agree on a gut level and your emotional reactions will blend and support each other. You intuit what is in common underneath it all.

Michael J.'s Moon Sextile Transit's Sun

Push and pull, throw and receive, go easily with the two of you, like a baseball team tossing the ball around the bases. One thing leads easily to another if you don't let your minds get in the way. Ask for it, receive, and pass it back easy.

Sun

Michael J.'s Sun in Transit's 1st House

Your inner drive can come so close to Transit's self-image that you may find yourself in competition. On the other hand, if you are willing to let go of ego, you can both hand off operations and cover the inner and outer sides of life as one.

Michael J.'s Sun Square Transit's Mercury

If you feel that Transit doesn't sum you up very well, you may be right. You're not totally beyond description, by may be beyond Transit's. Nevertheless, you can learn a lot from what you hear, as there's more out there than meets your eye.

Michael J.'s Sun Trine Transit's Venus

Who you are and what Transit likes will usually be in the same ballpark, if not always participating in the same play. Look for support and admiration more than

instant gratification -- there's a background of warmth that pulls you together.

Michael J.'s Sun Square Transit's Mars

Competition may spark or mar this relationship, and if it gets too hot, back off to avoid the punches. Avoid wasting each other's energies in beating around the bush, repositioning. Define mutual goals or establish separate ones.

Michael J.'s Sun Trine Transit's Midheaven

Anything you say about Transit can and likely will be seen as favorable. Even passing praise is looked upon as solid support and background underpinnings for Transit's reputation. It's not something to strive for, as it's honest and comes naturally.

Mercury

Michael J.'s Mercury in Transit's 2nd House

What you have to say about Transit's bank account may be right on the mark, but don't get roped in as a financial advisor unless you're sure it won't leave you in the red. Address moral issues instead, if you want to keep your distance.

Michael J.'s Mercury Conjunction Transit's Moon

When Transit is at a loss for words to express the feelings of the moment, you can probably provide them. Conversely, Transit likely intuits what you are going to say before the words leave your mouth. It's a mind/emotion link that may sometimes amaze.

Michael J.'s Mercury Trine Transit's Sun

You've probably got a pretty good grip on where Transit is coming from, even if you don't bother to write down chapter and verse. A good thumbnail sketch in the mind is sufficient to explain all, as details won't be demanded.

Michael J.'s Mercury Trine Transit's Mars

Suggestions for things to do or say are few and far between; because you both already are pretty well clued-in and so don't have to debate it. You don't have to critique Transit's efforts, just give the nod, and your approval will be noted.

Michael J.'s Mercury Trine Transit's Saturn

If you want solid long-term support for your ideas, Transit is likely to provide it, or at least will always be there to give you the A-OK sign when you need it. A lot of things just go without saying between you, which is as it should be.

Venus

Michael J.'s Venus in Transit's 11th House

If you choose to be close friends with Transit, chances are you will succeed. There is a nature and mutual desire for intimacy here, which by itself will rule unless seriously interfered with or made simply impossible through circumstance.

Michael J.'s Venus Sextile Transit's Moon

You don't have to hit on Transit too heavily to get what you want. A quiet request should get you the reaction you're looking for without demand or stress. In fact, the less words the better -- let understood feelings run the show.

Michael J.'s Venus Sextile Transit's Sun

Transit's style is innately pleasing, though may not go out of the way to please you specifically. There's a sort of casual contentment that's spread around easily which you can pick up on as a matter of course. No strain, definitely no pain.

Mars

Michael J.'s Mars in Transit's 4th House

You can be a foundation-shaker where Transit is concerned, but don't rattle the cage unless you have something preferable to provide. Assaults upon the home front, however well-meaning, should come with prior warning -- avoid Pearl Harbor.

Michael J.'s Mars Opposition Transit's Venus

What you deliver and what Transit wants may not exactly be in sync, and getting a close personal relationship together may take more time as a result. Compromise may work, but each should have other outlets as well to stay centered.

Michael J.'s Mars Square Transit's Saturn

Working with Transit may be a bit draining, due to picking up extra baggage or needless repetition in the process of getting things done. It's good for very exacting tasks, but average efforts will turn out to be less than fuel-efficient.

Michael J.'s Mars Opposition Transit's Midheaven

Your efforts on Transit's behalf, if you choose to extend any, are probably better off focused on the personal rather than the professional level. Unasked for assistance can skew Transit's course, and deciding what to do mutually can result in disarray.

Jupiter

Michael J.'s Jupiter in Transit's 9th House

You can be a key to expanding growth and large-scale plans for Transit, so don't hesitate to inject your own fresh ideas to encourage an upward spiral. You don't have to provide all the answers, just plant the seeds of a new crop and let Transit grow and nurture it.

Michael J.'s Jupiter Trine Transit's Jupiter

Together you have a good sense of where you fit into larger scale developments and can give each other good free advice on where you've been and where you might go next. Development without competition can make for good partnership.

Michael J.'s Jupiter Trine Transit's Ascendant

Mutual praise and admiration is easily expressed by the simple act of being comfortable together and feeling that in itself is taking you somewhere. Looking good is feeling good, and vice versa, and it doesn't take words to say it.

Saturn

Michael J.'s Saturn in Transit's 9th House

When Transit goes too extremely blue-sky, you can be just the person to say pick a program and get with it. Too much speculation means too little gets done. On the other hand, don't pooh-pooh Transit's dreams, as they are the stuff of the future.

Michael J.'s Saturn Trine Transit's Jupiter

Even when you have differing philosophies about a wide range of things, they will not seem to get in the way. You will find yourselves discovering common ground anyway, along with an easy live and let live attitude.

Uranus

Michael J.'s Uranus in Transit's 4th House

It may be hard not to shake up Transit's foundations every now and then -- it just comes naturally and seems so appropriate. But Transit may not feel that way, so look before you leap into long-held sensitive areas more critical than you may think.

Neptune

Michael J.'s Neptune in Transit's 6th House

Transit's routine may somewhat mystify you, but for that very reason it is probably not a good idea to meddle with it. Each person's work and daily duties are organized in a personal way sometimes not apparent to others. Give suggestions if you must, but let it be.

Pluto

Michael J.'s Pluto in Transit's 4th House

When it comes to Transit, remember that home is sacrosanct and not to be lightly tampered with. Not necessarily because of Transit's personality, but because you may be compulsively tempted to tamper. Assault the castle, the drawbridge goes up, with the moat between.

Midheaven

Michael J.'s Midheaven Square Transit's Mercury

Don't be surprised if Transit's view of your professional life gets a little complicated. To Transit your personal life seems clear, but when you go public things can get tangled, so listen to the personal side, and take care of your own publicity.

Michael J.'s Midheaven Square Transit's Mars

Transit's efforts to become involved in your public life may be well-meaning but can wind up with your having to pick up spills or getting side-tracked from your intended path. Better to use Transit's talents closer to home where they can free your energies for other tasks.

Michael J.'s Midheaven Opposition Transit's Jupiter

Schemes that Transit cooks up on your behalf may be intended to make you famous, but also may be more complicated than they seem and more trouble than they're worth. If it doesn't yield success quickly, move on to something else in this area.

Michael J.'s Midheaven Sextile Transit's Midheaven

A good word about Transit is likely to spill over into a good word about you, and you'll likely find less competition with each other in the marketplace than you might otherwise expect. Mutual benefits become such because the rest of the world believes it.

Michael J.'s Midheaven Opposition Transit's Ascendant

Sorting out how you both are related publicly and privately may take some tending to, as one may become confused with another, both personally and in the eyes of others. Just figure out what your story is going to be, then stick with it.

Ascendant

Michael J.'s Ascendant Conjunction Transit's Venus

You may look attractive indeed to Transit, just the person that suits the moment. Conversely, Transit's diplomatic and social abilities can go a long way to make you look your best. Whatever the relationship, you'll both decorate the surroundings when you're working together.

Michael J.'s Ascendant Square Transit's Saturn

Criticism of your personal appearance and presentation may be sincere but misplaced, so don't take it too seriously if you think it's not justified. When others judge you, ultimately you must be the judge.

Michael J.'s Ascendant Conjunction Transit's Midheaven

Your personal appearances can go a long way in increasing Transit's reputation, and the two may wind up being bound together if you let it happen. That makes you a good PR rep for Transit, whose good name will bring you personal benefits.
