A good time to wind up projects, particularly emotional ones; this point of completion bears the next month's beginnings and allows you to regear to start things up anew. Look ahead at the next few days to see how quickly to reengage or just take a break. Consult your Lunar Return chart to see what the next month will bring.

Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.

01 Jan ☽ ☐ ♀ 02:15 am EST Tran-Nat  11° II 37'

It can seem too easy to simply push your way through, but right now you'll find that can be a losing strategy. The more you shove, the more resistance you get. It's not paranoia, but it's not really a plot, either. Just back off and the whole problem vanishes. Take another route.

01 Jan ☽ ♂ 05 03:38 am EST Tran-Nat  12° II 25'

This is a good time to let your hair down and enjoy before someone else lets it down instead. Let urge carry you, as tight schedules will get snarled if you fight it. R&R is not just time off, its renewal, putting more in the pipeline on return.

Plan and order fulfillment are up and running, and whatever you can organize should run smoothly. Tap the brainpower of both colleagues and competitors to serve your own ends and you'll end up the be-all and end-all. Delegate the details and keep your eye on the radar screen in order to navigate what's coming up.

It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.

Seesaw emotions with energies running high make for choppy waters today, so avoid hasty choices or impulse buying. If tempers flare, just don't go there, spare yourself and others the hassle. Commitments made now will tend to partake of this atmosphere, so have the patience to wait a little before moving ahead.

The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.
- 02 Jan ☉ ✖ ♃ 04:16 am EST Tran-Tran  11° V 35'

Sometimes you can see just as well with a flashlight as with a floodlight, especially if you are examining something small. The simplest solutions are often the most ingenious, and it's the household gadget that makes most inventors rich. Small and clever is the order of the day, and it has staying power.
- 02 Jan ☉ △ ♀ 04:55 am EST Tran-Nat  11° V 37'

Those in your surroundings will conspire to help you get your way if you show perfect confidence that just that is going to happen. The faith of others compounds your own sure will, sweeping obstacles from your path because you expect them to retreat. Power thought enables power action, without having to exercise force.
- 02 Jan ☽ ♂ ♀ 05:07 am EST Tran-Tran  27° II 05'

Stop-and-go feelings make headway a tough go, with breakthroughs only after a mighty push. Although it's in the air, it's not necessary -- when it's time to push, just don't. Wait, and the barrier will go away. Nevertheless, it's not an uninterrupted journey, but nothing a little patience will not see you through.

Expect feelings to get a little more intense for the next few days, particularly due to bottled-up emotions that people are trying to keep a lid on. It's hard to say what you mean when there's so much expectation to deliver on every hand. Best to be utterly sincere but not say too much that might set off hidden nerves or be seen as space invasion.

Putting in a good word on the QT will be better than hollering. Ideas slipped into the conversation will find automatic response and agreement. Low-profile exchanges will snowball into a general consensus if you pursue quiet leadership and follow your intuition. Gentle feelings illuminate the mind.

02 Jan ☽ ♂ ♀ 02:19 pm EST Tran-Nat  02° ☿ 19'

Heightened appetites (of all sorts) are a natural this time of the month, as will be opportunities to fulfill them. Pick as you would from a smorgasbord and don't chow down too heavily -- the taste is what counts, volume only slows you down. Variety is the spice, intensity the sweetness, whatever or whoever is involved.

- 02 Jan ☽✳♌ 08:42 pm EST Tran-Nat  05°☾55'  
Small aberrations and wanderings from the main highway will get you everything. Explore those byways, there may be gold in them thar' hills. Just off the well-beaten path you'll find the scenic route where you can stake your claim ahead of the pack. In short, it's time to cash in on the mildly unusual -- tune into it.
- 02 Jan ♀♁♀ 11:17 pm EST Tran-Nat  11°♁37'  
You are witnessing a universe around you that alternately confirms and then utterly contradicts your overall life view, a confusing experience that will result in a new synthesis of thought when you sort it all out. The sorting can be puzzling at times, but patient observation will bring the best results.

Subtle feelings and intangible but reliable intuition allow increasing buildup of emotional communication, as plans come ever closer to realization. Slow and easy swings you along at just the right pace, there's no hurry to completion. It will come in its own time. Enjoy the journey.

What is said and what is felt may not at all be the same today, so watch out for inner contradictions coming from those around you. Putting pen to paper may mean a rewrite down the line, so be careful what you sign, and intentions and reality may not be on the same page. A better time for winding things up than diving in.

- 03 Jan ☽♁♌ 06:52 am EST Tran-Tran  11°☾37'  
This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.

Full Moon in 06th House

If you aren't finally achieving something from your diet or exercise regimen, ask yourself why not. This is the time you should be really getting things together and it should be starting to pay off. However, avoid excess and going over the top right now, as you may feel you can do more -- and maybe eat more -- than you really should. At work, you may feel a little overbooked as tasks multiply and time is short to complete them. Once you've put on the finishing touches, you'll be able to stand back and take pride in your accomplishments. A good time for an office party, if you can concoct a good excuse for one. In general right now, celebrate finished tasks.

- 03 Jan ☽ △ ♀ 03:15 pm EST Tran-Nat  16°♁18'  
Use the everyday reality around you as fuel for the ideal world of your imagination and you'll find yourself a general inspiration to all. When hope and belief are applied hands-on to the real world, the inner self can make its mark on the outer and the stuff of dreams coming true becomes your instrument to play.

Everything is worth a try for the next few weeks, and branching out to have a little of each is what it's all about. That of course includes taking the banal with the sublime, and if mixed tastes are not your style you may want to tread water for a while. On the other hand, there will be some dishes up for grabs you wish you'd known about earlier, so don't turn a blind eye.

The ability to address forceful solutions and be ready to roll over obstacles sends the message that you are serious and beckons the crowd to part when you pass. Don't flinch and you're home free.
- 04 Jan ♃ ✖ ♃ 00:20 am EST Tran-Tran  11°♃39'  
The wellsprings of the mind are, like water, often taken for granted. When ideas flow fresh from the tap, one assumes they are always there, as at this moment. Launch it now and that will likely always be the case, but a look inside the mechanics of your everyday creativity

might help you drink when wells run dry.

- 04 Jan ☽ ✨ ☉ 02:25 am EST Tran-Nat  22°☾28'  
Compatible forces surround you and it pays not to make waves, but welcome the help and share the wealth. Diplomacy and consideration will get you everywhere, so be on your best behavior and you'll be in like Flynn. Small, multiple moves are favored over big leaps, they mount up and you go just as far.
- 04 Jan ♀ ♂ Asc 02:52 am EST Tran-Nat  00°≈14'  
You're the object of desire for the moment, so show off all you've got and cash in on the response. Creative and uncensored feelings can make for an almost party atmosphere if you follow the flow and avoid the usual impediments for the next couple of days. The world is looking for a lover, and you can put yourself into that picture however you choose. Make a breakout, or just let the rising tide carry you along.
- 04 Jan ☽ ♂ 07 04:40 pm EST Tran-Nat  00°♁14'  
Lots of advice, attempts to influence you can co-opt your direction, but hold your own only if you really think appropriate -- the other side might be right, and now's the time to try it out without long-term commitment.
- 04 Jan ☽ ♂ Asc 04:40 pm EST Tran-Nat  00°♁14'  
This is a temporary lull in the month and you can book extra time here as there will be cancellations. The spotlight is on others close to you, so be willing to play a supporting role and pass the ball on to another -- it will come back soon enough. It's counterpoint time in your monthly symphony -- let the other instruments fill in.
- 04 Jan ☽ ♁ ♀ 06:09 pm EST Tran-Tran  01°♁01'  
Feelings and desires may tug and roil around you, and trying to cut an even balance may be

- 04 Jan ☽ □ ♀ 07:31 pm EST Tran-Nat  01° 24' 46"  
 Disputes between head and heart can raise issues that consume a lot of time but don't actually resolve anything. If you can't clarify things quickly, drop the matter and move on. Resist the impulse to insist -- if it won't untwist, just cease and desist.

 If you find yourself being pushed into situations that tax your limits, make sure they're worth the energy you expend. Repetitive stress injury, so to speak, is something you want to avoid, so do enough to get the job done properly and no more. The price of perfection may be dislocation elsewhere, so don't overdo it.

 Resist the temptation to overdo, physically or emotionally, to the point of diminishing returns. It's easy to trip wearing seven-league boots, so if you're not steady on the first step or two, downsize or wait to proceed until you've got your balance. Your initial take will require refinement, so don't expect to score with your first shot.
- 05 Jan ♀ □ ♀ 08:25 am EST Tran-Nat  01° 24' 46"  
 When you're asked to explain it for the third or fourth time, it may be time to give up. Brain drainers who want to tap your ideas right down to the bottom of the keg should be put off -- hit that cutoff valve and save some for later. You needn't be rude, just say enough is enough and tell them to come back for more later.
- 05 Jan ☽ △ ♃ 09:16 am EST Tran-Tran  09° 24' 08"  
 Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Illusions and delusions can wear the mask of true inspiration, so thread your way among them to the truth and don't fall for the first fantasy that comes to mind. Possibilities may evaporate as quickly as they appear, and that is for the best -- better to let them go than seize on what will not support you.

06 Jan ☽ ♃ ♂ 10:48 am EST Tran-Tran  22° ♋ 32'

Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will

take you all the way to the finish line.

- 06 Jan ☽♃♄ 01:58 pm EST Tran-Tran  24°♁10'  
The emotional waters are a bit on the cool side today and if you encounter the cold shoulder, don't be surprised. Put a toe in the water before you jump in or you might run into the big chill. People taking themselves too seriously abound, so try not to be one of them. Take it all with a grain of salt instead.

General agreement on what ought to happen makes for a general sense of righteousness -- you don't need to trumpet it, just smile in mutual knowledge.

- 06 Jan ♃♌♅ 09:29 pm EST Tran-Nat  16°♁18'  
A little fantasy can oil the machinery, and well-meaning flattery will get you everywhere. Quietly shared ideals make for unity, and you don't have to preach to get your point across. It's the little prayers and hopes that keep you on the upward track and are the gentle wind beneath your wings. Share them.
- 07 Jan ♃♃☽ 01:05 am EST Tran-Tran  16°♁33'  
High mental energy burns hot, a real brain boiler. The trick is to keep up with everyone without missing a stitch or dropping the ball. Great ideas abound, but don't buy everything you see until you give it a second, cooler look. Everyone can be too close to the subject to realize that what recommends it is only the heat of the moment.
- 07 Jan ☽♃♄ 01:19 am EST Tran-Tran  00°♄00'  
If you regularly pick up each stitch, you won't be tripped up over the next few days. If not, watch out for entanglements in small print and minor details that suddenly loom larger if you overlook them. The feeling of a job well done awaits you, but only after you do it. If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.

14 Jan ☽ ♂ ♂ 01:12 pm EST Tran-Tran  00° ↗ 00'

The first reaction all around is a good laugh, especially when people are surprised by the open truth. Big ideas are favored, but may be slim on details.

Eruptions of the unconscious could bring both troubles and personal revelations to the surface right now, so you may want to be careful not to betray secrets or let the cat out of the bag prematurely. Don't say the first thing that comes to mind, or you may give away more than you intend to. New deals are being struck behind the scenes with a strong sense of urgency, but they are not necessarily justified, so watch that you don't climb aboard the wrong bandwagon right now. Wait until things come out into the open to make decisions, take sides, even though there appears to be advantage in secrecy. Open covenants, openly arrived at, are the better part of honor.

Getting noticed and getting the job done may not seem to go hand in hand, as personal issues may overlap professional obligations. Don't expect the best of both worlds, but make sure you get your piece of each. Personal and partner issues will dominate for the moment. You can pick up on the rest later.

A dreamy state of affairs marks the surroundings and it may be difficult to pin things down or get anyone else to, either. Fantasy is favored, along with speculation, hopefulness, and prayer. Anything you try to formalize won't stay that way, so it's a better day for imagination than concrete efforts.

Your physical solar cycle is at its high, which should bring a lot of personal energy and activity that allows you to push your personal influence beyond its regular boundaries. Extra energy and confidence allow you to put out at above-normal rate.
- 20 Jan ☽♂♀ 12:19 pm EST **Tran-Tran**  20°≈44'  
Charm abounds and an atmosphere of love and desire allows for all sorts of pleasantries and can provide the foundations of lots more like it to come, if you go for it now. Directions begun today can be the start of great friendships, beautiful handiworks, and achievements that bring both wealth and love.
- 20 Jan ☽☐☉ 03:13 pm EST **Tran-Nat**  22°≈28'  
Things are not as in tune as they might be, but resolution and progress are possible through mutual recognition and compromise. Impact priorities and be ready to give on small points in order to gain on the large ones. Competition can be strong, but it makes you stronger, and this is where you earn respect and trust.
- 20 Jan ☽♂♄ 04:34 pm EST **Tran-Tran**  23°≈16'  
The environment is running hot and cold today, and just as you think you're warming up to someone, they can suddenly turn negative. Similarly, projects undertaken today can turn out ambivalent and hobbled down the line, so wait, if you can, to make commitments. That, in itself, is exactly what's in the air.
- 21 Jan ☽♁♀ 00:01 am EST **Tran-Tran**  27°≈44'  
A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.
- 21 Jan ☽△♀ 01:36 am EST **Prog-Nat**  01°≈46'  
Putting your feelings into words only enhances them, so don't be afraid to say what you mean from the heart. Your words will not fail you, and backing them with your emotional take makes them seem all the more reliable. Your inner world has immediate contact with the outside without much ado, so honesty pays without modification.

Shifting sands of feeling abound for a few days, which make hard decisions difficult but ferreting out intuitive revelation easy. You won't find so much hard commitment going around, but the soft underbelly of hidden feelings and backdoor admissions are open to the touch. Probe gently, find the waiting pulse.

Putting in a good word on the QT will be better than hollering. Ideas slipped into the conversation will find automatic response and agreement. Low-profile exchanges will snowball into a general consensus if you pursue quiet leadership and follow your intuition. Gentle feelings illuminate the mind.

Ask and you shall receive. 'Tis the season, while it lasts (for a day or so), so if you want it, go for it. Part of it is about intuitively knowing just what to ask for, what's really available, and who's in the mood for giving. Go with your feelings and you'll be surprised at what's at your command.
- 21 Jan ☽ ✕ ♂ 09:38 am EST Tran-Tran  03°≈29'  
A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

Sudden realization of overall requirements and dimensions can give you a better handle on what's really. Clear demands are more easily met and you know where you stand when the possible and impossible are sorted out. Limitations become clear, so they become easier to work around.

Welcome or unwelcome, surprises could be around the corner, so perk up your ears and give a listen so you won't get taken by surprise. Those footsteps you hear might herald welcome aid or annoying trouble.
- 21 Jan ☽ ✕ ♃ 04:09 pm EST Tran-Nat  07°≈23'  
Subtle feelings and intangible but reliable intuition allow increasing buildup of emotional communication, as plans come ever closer to realization. Slow and easy swings you along at just the right pace, there's no hurry to completion. It will come in its own time. Enjoy the journey.

Say what you feel and feel what you say -- it's easy now and you can do so with little fear of getting into trouble. Conversely, you can better understand what others are trying to tell you at the gut level, so heart-to-heart communication can flourish. Words flow and seem to have more meaning, reach further.

It may be easy to get into a debate, as there's an edge of contentiousness upon you, but if you do, make it about issues and not personalities. Lunar finance peak brings a flurry of monetary activity, perhaps a quick find or mini-crisis, but it passes quickly. Keep its brevity in mind so you don't lay heavy bets on a passing fancy, unless other longer-range cycles are much in focus with this as trigger.

- 21 Jan ☉ □ ♀ 11:44 pm EST Tran-Nat  01°≈46'  
Pushing plans to fruition may not get you there at all, and there's no point in slowing the general rate of progress just to make a point. Good enough is sufficient -- when you're that far, move on to the next challenge. Details fought over now will iron themselves out later, so don't waste too much effort on them.

Interrupted journeys of desire nevertheless proceed, but at a slower rate. If at first you don't get what you want, try it again differently until you find your way around the roadblocks. Attempts to leapfrog from idea into execution may be at sixes and sevens for a while, but it's not your problem alone, it's in the air. Troubleshooting and debugging are necessary parts of life's progress, and like everything else, it all happens at once. This makes this not such a good time for leaping into new worlds when the old one still hasn't gotten its act together. Until you're clear about now and know you're on firmer ground, seek out the glitches, the overlooked pieces of the puzzle, the stuff that glues it all together into one working whole, whether that be a marriage or a merger.

If you get the principle of the thing now, you can extrapolate the rest as it develops -- and it's lots easier than doing it the other way around. Feelings swell, emotions rise, for a time the heart grows another size.

Conflicting messages about your reputation may have their origin in partner disputes and competitive jealousies. Try to resolve them, but don't look like you're trying too hard, or you'll have the reverse effect. If you can rise above the fray, do so, and any misconceptions will be straightened out by time and good will.

Quiet confidence in achievable goals makes things run smoothly and cooperation in the mutual interest means everybody gets just the right piece of the pie. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.

A mist upon the mind makes ordinary clarity just history for the time being, but the numinous clarity of dreams is at your beck and call. You may do well to turn your energies inward for a bit and clean things up on the home front. Tie up loose ends, fulfill delayed promises, and generally pull yourself together. You can't make a home run if you can't see home base, so sweep it clean for that future dash to score.

You may find that the energy and internal resources that you use to accomplish your biggest objectives are ready and eager to get under way.
