Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

How You Approach Relationships

You tend to be impetuous and daring in the way you come across. Your seeming innocence does not always make up for a tendency to be too direct at times - - some might say rude. You fall in love easily, often, and you are not afraid to rush into a relationship. Above all, you always seem to go after those with manners, education, and a dignified appearance. You love to be the bull in someone's china shop. You tend to seek a real diplomat for a partner, one who delights in smoothing over your rough spots.

Libra On 7th Cusp

With you, good looks count a lot. You like partners who are charming, refined, and appreciate the better things in life. You may depend on them for appreciation and love, and you probably share the same set of values. They tend to dote on you, and you like it that way.

Venus Ruler of 7th

You have a natural love for other people and for all kinds of relationships. This loving quality is apparent to others and will endear you to them. You will be popular and have very few detractors. You may often find yourself serving as a patron to musicians, artists, writers, etc. - - all of whom will gravitate to you in one way or another. In fact, the arts and everything of quality or beauty will interest you.

Venus In 7th House

Without a partner your career may tend to flounder, so it's not likely you will live the single life for long. With you, it's a question of getting in a good relationship and then concentrating on being a success story, and not vice versa. You need a partner that will cheer you on in your work, or at the very least not stand in your way. There is also a tendency to attract people of some stature as friends, with the result that you tend to know the top professionals in your field or social group.

Jupiter In 7th House
Report for Patrick van Deventer

Strengths in your relationships

You have an uncanny sense of justice coupled with an innate ability to interpret the law, whether manmade or natural. This may manifest thru your showing others the way thru, or beyond, the problems in their lives. A practical sense of how to manipulate the opportunities that appear in life. Just plain luck! A natural love for those with more experience or authority. A teacher, or benefactor, is likely.

Sun Sextile Jupiter (orb: 00 04')

Very sensitive areas of conversation that might intimidate most (taboo subjects, etc.) don't bother you at all. You always persevere and keep right on investigating. You are expert at getting straight to the heart of things, and would make a super sleuth, or researcher. The deeper a secret is buried, the more likely it is that you will turn it up. And when it comes to money, sex, and other highly charged issues, pity anyone who tries to manipulate you. That's your bailiwick, and there are very few who can stand to argue with you.

Mercury Conjunction Pluto (orb: 00 31')

You have a fantastic imagination and are somehow tuned into what we all dream of at the deepest levels. The dream worlds, the more eternal thoughts of mankind, come easy for you, and you would be a convincing speaker on occult, metaphysical, and religious subjects. The way you talk about the intuitive and imaginative realms is very moving to others. You are able to put into words the sense of unity that we all know exists in the world but can't always keep in mind. You could be a fine poet or musician, especially a composer.

Mercury Sextile Neptune (orb: 01 25')

People just naturally love you, perhaps because they sense that you really care for them too. This amounts to more than just a minor talent. You have lots of friends, and many relationships. You're just fun to be around. You may hang out with artistic types, or be one yourself. The feminine, in all of its aspects: fashion, beauty, style, etc., is your cup of tea. You love people and working with the public.

Moon Trine Venus (orb: 01 52')

You can't help but think in an organized way, and you are a stickler for routine. You love it. You probably have a scientific bent, for your analytical abilities are first rate. You love first principles and getting down to the bare bones of a subject. Mathematics and all things technological are a

Mercury Trine Saturn (orb: 04 15')
You have great emotional control, and this allows you to pace yourself in ways average people cannot. You can keep control when others lose it. This suggests the capacity for sustained effort on your part which may manifest in a natural athletic ability. Your relationships, which tend to be long lasting, are easy going. There is an accent on leadership and masculinity.

Sun Conjunction Mars (orb: 07 15')

You have a knack for coming up with just what the crowd wants. You are nothing else if not an original. You can take an ordinary event and turn it into something brand new, really special. You may have had a somewhat unusual upbringing, and you like a partner who is independent and also a bit unusual. Things are seldom boring with you, for you always have just the right idea of what to do.

Moon Trine Uranus (orb: 08 40')
Report for Patrick van Deventer

Challenges in your relationships

You may have difficulty expressing your feelings, with the result that tension accumulates to the boiling point. You may get the feeling sometimes that situations and other people unite to repress you, to hold you back. You probably have had some really harsh experiences, hard feelings. You feel you must push and strain to get anywhere at all. You would do well with a partner who can help you through the process of getting your feelings out without exploding.

Mars Square Saturn (orb: 01 39')

You may have a fear of taking the plunge, letting go. Perhaps you are hesitant to trust your vision or your dreams, lest they overpower your day-to-day routine. As for relationships, you tend to worry about being deceived. There is tension present as to just how much you dare trust your more mystical side. Perhaps you have been disappointed by authority figures, more due to your over-idealizing them than to their own faults.

Sun Square Neptune (orb: 03 15')

You sometimes have trouble distinguishing between your dreams of life and the actual reality. Or you lack the discipline to make those dreams real, to work to make reality be as you always dreamed it could be. This could lead to unreasonable expectations of other people, especially your lover. A tendency to daydream finds you with a number of false starts. You are easily distracted and have difficulty carrying things through to the finish. You may worry about being deceived by others.

Mars Square Neptune (orb: 04 01')

Often, through no fault of your own, you find yourself at odds with authority, the law, and conventions in general. Maintaining a good self-image may be difficult. There is a tendency to leave things unfinished, or to not do a thorough job. Success for you comes thru hard and precise work. You need a partner who will work with you while you find your own way.

Your Relationship with Lindsay Brown

The two of you may end up working with the public on some health or service-related project. That may even be how you met. Lindsay personifies, and brings to your attention, concerns that you have known about for a long time but perhaps never acted upon. Things like diet, smoking, exercise, preventive medicine...anything that exemplifies a caring attitude. She is very supportive, and when you are with her it seems that all these endless details are easy and even fun to care for.

*Her Moon In Your Sixth House*

Here is a real playmate, a lover in all the traditional sense of that word. Lindsay really gets those creative juices bubbling, and through her you discover artistic tendencies you never knew you had. You might even write a poem or two. There is a first blush and sense of mutual discovery in this relationship. Through knowing her you have become more self-expressive, more active. There is a growing sense of self-confidence and pride in yourself that you gain from this relationship. There is a good feeling to this relationship.

*Her Sun In Your Fifth House*

When the two of you get together for an intensive talk session, watch out. You love to discuss the details of work and matters relating to your health, self-improvement, and general well-being. She brings out ideas on how to improve and care for yourself. On the down side, both of you can slip into a very critical vein, especially of others. You may find yourself working together in some editorial or managerial capacity.

*Her Mercury In Your Sixth House*

She appreciates your sense of duty and concern for others. Time spent together tends to enhance these qualities in you. You may not have known how much you care about life and other people before you met. You find yourself taking better care of yourself, by attending to the details and odds & ends of your life. She values you for your more conservative qualities and tends to see you as painstaking and particular when it comes to attending to details.

*Her Venus In Your Sixth House*

Lindsay is a living incentive for you to get out of yourself and do things. Things get very physical, and this runs all the way from good sex to physical activity in general. There is a fresh, almost childlike, quality to your relationship. You feel strength and perhaps are proud of how good you feel about yourself when you are with her. There is the danger of too much of a good thing. The whole thing could get a little self-centered.

*Her Mars In Your Fifth House*
Lindsay may have been the means for you to meet many new people in your life. You like to be in the public and feel social when you are with her. She makes it easy for you to respond to others, understand them, and share in the common experience of life. She could be instrumental in leading you into a career involving the public or bringing your current career into greater public attention. There is a real sense of comradery with you two.

*Her Jupiter In Your Seventh House*

This could be an expensive relationship, for Lindsay can't help but put your resources to the test. She may not value you to the degree that you would like her to, or she may not respond to what you feel are your better qualities. This can leave you feeling cold and disappointed. The charm that others may find intriguing is wasted on her. This is not to say that this will not be a worthwhile relationship, but it will not be supportive in any normal sense of that word.

*Her Saturn In Your Second House*

She may view work in a very unconventional manner, preferring to work odd hours or in a different manner when it comes to working for others. Lindsay always manages to find different ways to approach routine subjects. This could include alternate or new-age methods of eating, health care, exercise, and the like. She can do detail work, and is a responsible friend, but not in a 9-to-5 sort of way. She can be ever so inventive and labor-saving when it means finding an alternative to tedium and routine.

*Her Uranus In Your Sixth House*

There is a definite sense of mystery about Lindsay. When the two of you are alone you get very close, exploring psychology and sinking into dreamy states that you can't find with others. Aside from the sensual aspects — which should be very strong — there is a sense of being initiated, of getting past some barrier, getting down to the real stuff. You feel so open with her, and she with you. Unless you are very careful, this is probably not the best relationship for business or financial matters.

*Her Neptune In Your Eighth House*

She exerts a powerful influence on your habits, especially when it comes to self-improvement. She may revolutionize your ideas of eating, health, exercise, and taking care of yourself. You may find that your work habits change through knowing her and that you are more aware of subordinates than you were. All of this is not likely to be a tranquil change. She is almost ruthless when it comes to revealing your weak spots and urging you to do something about it. All in all, this could be a very valuable experience.

*Her Pluto In Your Sixth House*
Report for Patrick van Deventer

*Your Sun Conjunction Her Mercury (orb: 07 27')*

You tend to support and encourage an independent streak in Lindsay. You don't mind that she enjoys being a little different. You find her emotionally stimulating, and even unique. She may have introduced you to new attitudes toward home and family, and new ways of feeling.

*Your Moon Trine Her Uranus (orb: 09 35')*

Challenges in your relationship with Lindsay Brown

You may feel that her attempts to discipline you are ineffective at best. Throwing cold water on your enthusiasms has never done much for you. You may delight in shattering her neat little universe from time to time. You feel repressed by her.

Your Mars Square Her Saturn (orb: 02 18')

She may feel that you don't take her ideals seriously enough, and that you discount her more imaginative and creative side. You may feel that she is unrealistic, only fooling herself, and is always getting carried away with one thing or another. There could be deception.

Your Sun Square Her Neptune (orb: 03 18')

You may feel that Lindsay is a hopeless dreamer, and you may refuse to get behind what you term escapism on her part. Your own ambitions run counter to her own sense of mystery and idealism. She may disappoint or deceive you.

Your Mars Square Her Neptune (orb: 03 57')

From time to time there may be some hard feelings and harsh words between you. You may not feel like talking, or find that you can't support a lot of what she is saying. She may not be able to understand how you feel, and resents your attitude.

Your Moon Square Her Mercury (orb: 06 38')

You may find her influence limiting and even oppressive at times. She may tend to cling to you, and there is this sense of never being able to really get going. There may be authority problems. She may view you as harsh or restrictive.

Your Sun Square Her Saturn (orb: 09 33')

How You Approach Relationships

♂ You, who are so power oriented and commanding in tone, have a greater need than most for love relationships. Who would guess that you like your lovers anything but aggressive? You need your lovers to be accepting, even at the risk of being on the dull side. Your relationships tend to be long-term, conservative, and quite stable. Your partners often have money, property, and tend to be quite possessive of your attention. Your emotions run deep and you can be fiercely jealous. You bury yourself in your relationships. Only your lover knows how vulnerable you really are.

Taurus On 7th Cusp

♀ With you, good looks count a lot. You like partners who are charming, refined, and appreciate the better things in life. You may depend on them for appreciation and love, and you probably share the same set of values. They tend to dote on you, and you like it that way.

Strengths in your relationships

You love to lose yourself in your latest dream, whether it be a person or a project. You find it easy to be caught up in images - dreams, psychology, metaphysics, cinema, etc. You probably love movies - anything that flicks on the silver screen. You may be an artist and you certainly run with an artistic crowd. You are charming to the point of being enchanting. Very idealistic.

Venus Sextile Neptune (orb: 00 17')

You are enchanting, and can transport a group of people with your mesmerizing words, action, or music. Through you, others catch a glimpse of a world more unified than the one they find themselves in, and hear from you of the life they know exists beyond the mundane. Once under your spell, you could motivate them to do almost anything. You owe much to your upbringing, which tolerated and gave support to your dreamier side. You can be very compassionate, and understand the feminine side of life.

Moon Sextile Neptune (orb: 00 37')

People just naturally love you, perhaps because they sense that you really care for them too. This amounts to more than just a minor talent. You have lots of friends, and many relationships. A passionate one. You love it when a crisis emerges and threatens to shatter the normal routine, because you yearn for a chance to undergo really profound changes. You're like the survivalists who wish the world would stop pretending and get down to the nitty- gritty. Fiercely loyal, you would rather see a relationship through hell and high water than abandon it. You delight in emotional confrontation, intense conversations, and secrets of all kinds.

Venus Conjunction Pluto (orb: 02 11')
Friends & Lovers

You have always had a sense of being special, and of having experiences perhaps others have no memory of. You can handle even the most sensitive areas of your (or another's) mind, and have no problem with controversial and upsetting topics like death, dying, sex, and the like. You can't help being a psychologist of sorts. Sometimes it seems like the universe delights in showing its secrets just for you. You have a sixth sense for values, money, property - - opportunities.

Moon Conjunction Pluto (orb: 03 05')

You dote on responsibility, and love to bring order and discipline to anything (or anyone) you are involved with. You wouldn't be caught dead in an extravagant display, not because you are a cheapskate, but because of your natural love of thrift and economy. Family and loved ones get first class care and service. Others will value you for these qualities. You probably love to work.

Venus Trine Saturn (orb: 05 58')

Others soon learn how responsible you are, and that they can depend on you for real support. Sure, you are perhaps a little too organized and run more cool than hot, but you really do care and never let your friends down. Whatever you do is built upon a solid foundation, and that includes relationships. Too serious? Aloof? Perhaps, but you are loyal, dependable, and don't enter into relationships lightly.

Your Relationship with Patrick van Deventer

The two of you may work together in the public eye. From the very first, you saw that he was a natural complement, and you knew that you could always count on his support. You might actually form some kind of business partnership. He seems to respond to your every mood. There is real harmony between the two of you. Others could come to depend on your relationship for reasons of their own.

*His Moon In Your Seventh House*

Here is someone with real know-how. You naturally tend to look up to Patrick, and he may originally have appeared in the guise of a teacher or older person, an expert on just what most interests you. If this is to be a love relationship, it may prove hard for you to consider Patrick other than as an authority figure. You are proud to know and be associated with him. He helps to show you how to be more professional yourself.

*His Sun In Your Tenth House*

You find that Patrick is a fair and open person, and your conversations with him tend to focus on humanitarian and global concerns. There is always a high tone to your talks, and you both bring the best out in each other. You may tend to agree on goals and social/political issues, or be part of some larger group's work. There is a mental and intellectual bond between you that could result in a partnership involving speaking or writing.

*His Mercury In Your Eleventh House*

It's not everyone that can have the side-effect of making us feel a little saintlike. This does happen when the two of you get together. He manages to find qualities in you like self-sacrifice and forgiveness that you may have overlooked in yourself. In Patrick's "light" your better qualities get exposed. He appreciates your more dreamy and psychological side too. There is a lot of silent rapport there.

*His Venus In Your Twelfth House*

Patrick is on a one-person campaign to bolster your career and public image. He seems to know which way you are headed and wants to give you a boost in that direction. He is very ambitious when it comes to your career and is always pushing to improve your prospects. Although this can be tiresome, and you may not always be in the mood for improvement, it is mostly beneficial. He really does know what he is doing.

*His Mars In Your Tenth House*

He will have a very strong psychological effect on you, particularly in regard to the way you live your personal life. High ideals and humanitarian sentiments are fine, but Patrick has the ability to lead you to putting these thoughts to work on a day-to-day level. Through him you may learn how to really forgive one another, how to let barbs and harsh words roll off your back. He can put you in touch with goals more important than money or recognition - - internal happiness and self-respect.

*His Jupiter In Your Twelfth House*
There can be a real strain with this relationship. Patrick can’t help but cut short a lot of efforts on your part to improve yourself. It may be very difficult to work together. He exerts a natural discipline on all your work habits and may effect the way you work with other people. It will make you or break you. On the other hand, you could really clean up your act with his help.

His Saturn In Your Sixth House

Patrick has the capacity for introducing you to radically new goals and groups of people. Perhaps through him you will meet a whole new set of friends, or be part of a group working on a new-age project. You may come to have a completely new idea of your fellow man, of brotherhood, and all of that stuff. He has radical ways of seeing things. All this may come as quite a surprise to you and may upset the traditional apple cart. He is anything but boring.

His Uranus In Your Eleventh House

You find Patrick enchanting and are easily carried away by his eloquence and non-worldliness. There is a dreamlike quality to your relationship, as if it were being somehow carried out on some higher plane. When you are together you feel a sense of unity and oneness. A lot of the pettiness of life seems to drop away. You may wonder whether this is too good to be true or if the two of you are just deluding yourselves. You may love water and the movies.

His Neptune In Your First House

He is very dynamic, and you probably met him in a group of friends or at a community function. He may instantly set about forming a new group of friends for you to hang around with, or he may advise you on which groups and projects are really worthwhile. Patrick will strip away a lot of needless social niceties. Through him you may be exposed to a more radical form of politics or group goal than heretofore. He is very serious about all of this.
