Daily Symbol	Diversion  11° Cancer Sun at 11° Cancer A clown is making merry, gently caricaturing all manners of human traits with his grimace and pantomime. DIVERSION																							
Lunar Phase	Easy Harvest  Harmony Easy Harvest - Here is another energy rush, with room to maneuver, and you should be able to not only clearly see the problems at hand, but have the insight and objectivity to actually do something about them, separating the good parts and culling out whatever you see is excessive and holding you back. You are definitely standing back and taking this all in. You are at your critical best, and very objective. Nothing personal.
