Frederick Chopin- Highlights for Chart

In Focus:

Solar work cycle peak gives impetus to strong housecleaning in the details of your operation by flooding you with them while providing the extra attention to deal with it. Tend to small obligations so they'll be in control when larger trends develop.

Sun in 6th House

The Closest Aspect:

Reputation and stature are important to you. You strive and struggle to attain a position of leadership and power. A secure domestic and inner life is equally important to you, and you tend to be torn between dedication to home and to career.

Sun Square Midheaven

Emotional Environment:

This is a good time to let your hair down and enjoy before someone else lets it down instead. Let urge carry you, as tight schedules will get snarled if you fight it. R&R is not just time off, its renewal, putting more in the pipeline on return.

Moon in 5th House

Thoughts:

Bright new ways to simplify and streamline the workaday environment will give you more time to play when you're done, so set to rearranging personal habits, workflow, and approaches to health and diet. Smart driving means less fuel, and you get there faster.

Mercury in 6th House

Attachments:

Personal beauty and health care will get you everywhere, infusing a new sense of health and energy. Pamper yourself, and others will join right in. Focus on the work you like for the moment and you'll like work in general a lot more down the line.

Venus in 6th House

Motivation:

The next two months may bring you some flak from persons closest involved with you -- strong input, for sure, which should be patiently fielded to avoid confrontation or split-ups. Let all speak: passions will subside, priorities prevail.

Mars in 7th House

Inspiration:

The next year marks a 12-year low point in personal financial resources, unless you were particularly careful to save what you lucked into six years ago. It is a time to draw on inner resources as a substitute, and in the outer world to be careful -- extend and rely on your credit rating with others.

Jupiter in 8th House

Obstacles:

Time for housecleaning and trimming ship at home, both physically and emotionally. Throw out extraneous articles that tie you down and free yourself of personal ties that may have become too weighting or demanding. Learn the joys of privacy and self-communion that make your heart where your home is.
