Venus's Symbol	Worth  06° Leo		Venus at 6° Leo A sweet old-fashioned belle and a pert and attractive little modern flapper stand in mutual envy of each other. WORTH																							
Venus Phase	  ♀		Public Sentiment  MON VEN A Loving Feeling		Public Sentiment This could be a turning point regarding your life values, concern and love of your family, younger persons, and your past, in general. You may well find yourself letting go of more personal connections and taking a more impersonal or equal-minded point of view, sort of embracing a larger view of things. You take things less personally.
