On the following page is your AstroLocality Report. An astrological analysis of what you are likely to experience in the cities and towns that you selected is given. The astrological influences that are strongest begin with three asterisks (***) and appear at the beginning of the report. Next are the influences with one asterisk (*), which are strong but not as important as the astrological influences that have three asterisks. The astrological influences with no asterisks are at the end of report and are weakest, but they are also significant in your life.

The AstroLocality Report uses astrological methods developed through the latter half of the 20th century, and refined through extensive research, some of which is described in the book "AstroLocality Magic".
