Your Soul Number is NINE.

You are a very loving person whose compassion and concern is not limited only to your own family and personal circle. Kind and generous in your sympathies, you are motivated to a large degree by humanitarian

ideals, altruism, and a desire to make the world a better place.

Translating your charitable impulses into some definite, concrete expression is one of your greatest challenges. You are sensitive, gentle, and impressionable (especially in early years), and you may lack the drive to bring your dreams down to earth. However, aggressive ambition is not your path to success. If you learn to have confidence in yourself and maintain a positive attitude, you will do much good and enjoy true success.

You have a strong desire to travel widely. Broad and tolerant in your viewpoints, you dislike narrow thinking and prejudice, and you get along well with many different types of people.

Love is very important to you. You have a romantic heart and are idealistic about people. Because you are so loving you will attract love into your life, but you will also discover that not everyone loves as freely as you do. You don't want to be possessed. You are an artistic, intuitive person with a gift for working with color and abstract ideas.

Your Personality Number is SIX.

People are naturally drawn to you for advice, counseling, comfort, and assistance, for you radiate a sympathetic and protective concern for the well-being of others. You seem motherly or fatherly, and you inspire confidence and trust. You have a helpful, understanding demeanor and you like to be of service.

It is essential for you to be in harmonious surroundings that have a personal, loving touch. Even in your office or work place, you will create an environment that is warm, comfortable, and "homey".

You tend to dress modestly and are not especially fashion conscious, though you do have an eye for what is appealing and harmonious. You often put your family or other people ahead of yourself, and you may neglect your personal appearance. Usually you have other priorities ahead of your wardrobe or personal adornment. You dress mainly for comfort, and exotic, dramatic, flamboyant styles are definitely not for you.

Your Destiny Number is SIX.

You have a very helpful and sympathetic nature and your path lies in supporting, assisting, and serving others. You feel a sense of responsibility for human welfare and social justice and betterment, and have a strong protective concern for children, the ill, aged, or others in need of care. The helping professions, community service, or work with charitable organizations would be very fulfilling for you. You are also very domestic and devoted to your home and your family's well-being. If you are a parent, that may well be the most meaningful and important part of your life. You invest much of your time, love, and creativity making your house a HOME - a beautiful, warm, comfortable place to be and you have old-fashioned tastes, preferring the homemade or personal touch to something fancy, slick, and mass-produced.

You love and crave beauty, and have an artistic sense of harmony, balance, and color. You would enjoy flower gardening, making crafts, home decorating, etc.

Harmony, beauty, and service are your keywords.

Your Career Number is FIVE.

You are suited to activities requiring clear thinking, verbal facility, mastery of language, the ability to

articulate ideas, curiosity, flexibility, the ability to promote or sell and work with the public, especially the opposite sex. You are most successful in work that is varied, stimulating and exposes you to many different ideas and people.

Careers and Vocations: Writer, translator, editor, journalist, photo-journalist, broadcaster, travel agent, personnel director, teacher, entertainer, investigative reporter, media expert, any work involving television, radio, or cinema, publisher, promoter, salesperson in any field (especially sports goods, cruises and tours, health, advertising, books or magazines, automobiles), aviator, trouble shooter.

Your Missing Number(s) are:

SEVEN: You are disinclined to probe deeply beneath the superficial appearances of things to discover the hidden aspects, the underlying reasons and causes, the deeper meanings. As long as everything seems to be fine on the surface, you look no further. You may distrust introspection and the intuitive, non-rational, or mystical approach to life, and are often out of touch with your own inner feelings and deeper needs. You also may lack a real, personal, sustaining religious or spiritual faith.

Your First Vowel is A.

Your instinctive response to any situation is ACTION. You are decisive and bold, and you meet life head on. You think for yourself, you know what you want and you go after it directly. Impulsive and headstrong, it will take you many years before you learn to look before you leap. You have a sense of adventure and a willingness to try a new path.

It is difficult for you to be still, to wait, or to allow situations to resolve themselves in their own time. You always want to DO something, get everything up front, resolve the problem. It is hard for you to live with ambivalence and uncertainty.

You cannot be deceptive or hide your true thoughts and intentions very easily. You are generally unafraid of what other people think of you. You dare to be yourself. Often, in fact, you appear oblivious to the impact your actions have on other people, and you may seem arrogant.

Your First Initial is A.

Impulsive, enthusiastic, dynamic and courageous, you dive head first into new ventures without a great deal of careful consideration or forethought.

You have an abundance of energy, you live in the present, and you love action. It is difficult for you to wait for anything.

You take initiative, are independent in your thinking, and are more of a leader than a follower. You are able to stand alone.

You need to develop patience, a cooperative spirit, and the persistence to complete a project before moving on.
